

HS-235U AI Copilot USB Headset

HS-235U AI USB Headset with clear audio and precise voice transmission, perfect for music and communication.

The high-sensitivity microphone ensures clear speech, while in-line control allows you to adjust volume, mute, answer calls, or quickly activate Microsoft AI Copilot. Its lightweight, durable design includes an adjustable, rotating microphone for a comfortable fit.

* Long press (2 sec) the Copilot button to call the Copilot assistant and use the headset microphone for direct voice input.
